1. The following is an examiner's statement of **reasons for allowance**: applicants' amendment of 3/10/2009 has canceled all the claims which had outstanding rejections, such that all remaining claims had previously been indicated as allowable. An update of the prior art found no new references that read on independent claim 7 & its dependent claims, although Vijayen et al. (7,513,215 B2) is cited as if interest, being a member of the same patent family as the present case, however all of its claims are directed to apparatus claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. **Any inquiry** concerning this communication or earlier communications from the examiner should be directed to **Marianne L. Padgett** whose telephone number is (571) 272-1425. The examiner can normally be reached on M-F from about 9:00 a.m. to 5:00 p.m.
